A DAY IN MY LIFE

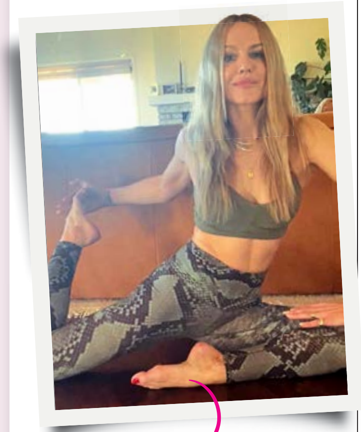
Monet Mazur shares her daily routine with *Us*!

TUNE IN!

All American airs Mondays at 8 P.M. on the CW.

7:00 A.M.

NOW & ZEN Hot stuff! Mazur kicks off each morning with a heated workout at CorePower Yoga: "It's a game changer," she tells *Us*. "My brain and body just function on a whole different level after."



9:00 A.M.

NOT JUST AN ACT Then, Mazur gets to work on *All American*. The last few episodes have been "heavy" to film, the actress, 46, explains: "We said goodbye to a beloved character. This was an emotional moment for me."

1:00 P.M.

A SAFE BET On to the next set! "I've been editing a new project I've been working on for a docuseries I've created with [artist] **Mattia Biagi** based on how we relate to design through the five senses," Mazur shares.

5:00 P.M.

CLOTHES CALL Mazur heads to her weekly fitting with stylist and costume designer Negar Ali-Kline: "She brings so many layers to the character through wardrobe, something I rely on to help tell a story."

9:00 P.M.

HOT SPOTS A stylish Mazur backs pal **Tasya van Ree** at the opening night of the artist's show for Frieze Los Angeles: "On rare nights when I actually have the energy to go out, I try to catch up with my people that I love and support."

7:00 P.M.

TAKING HOLD The mom of two enjoys some quality time with eldest son Marlon, 17, before he heads to London for college: "I am grasping onto him to hang out with me and squeeze in every last minute with him while I still can."

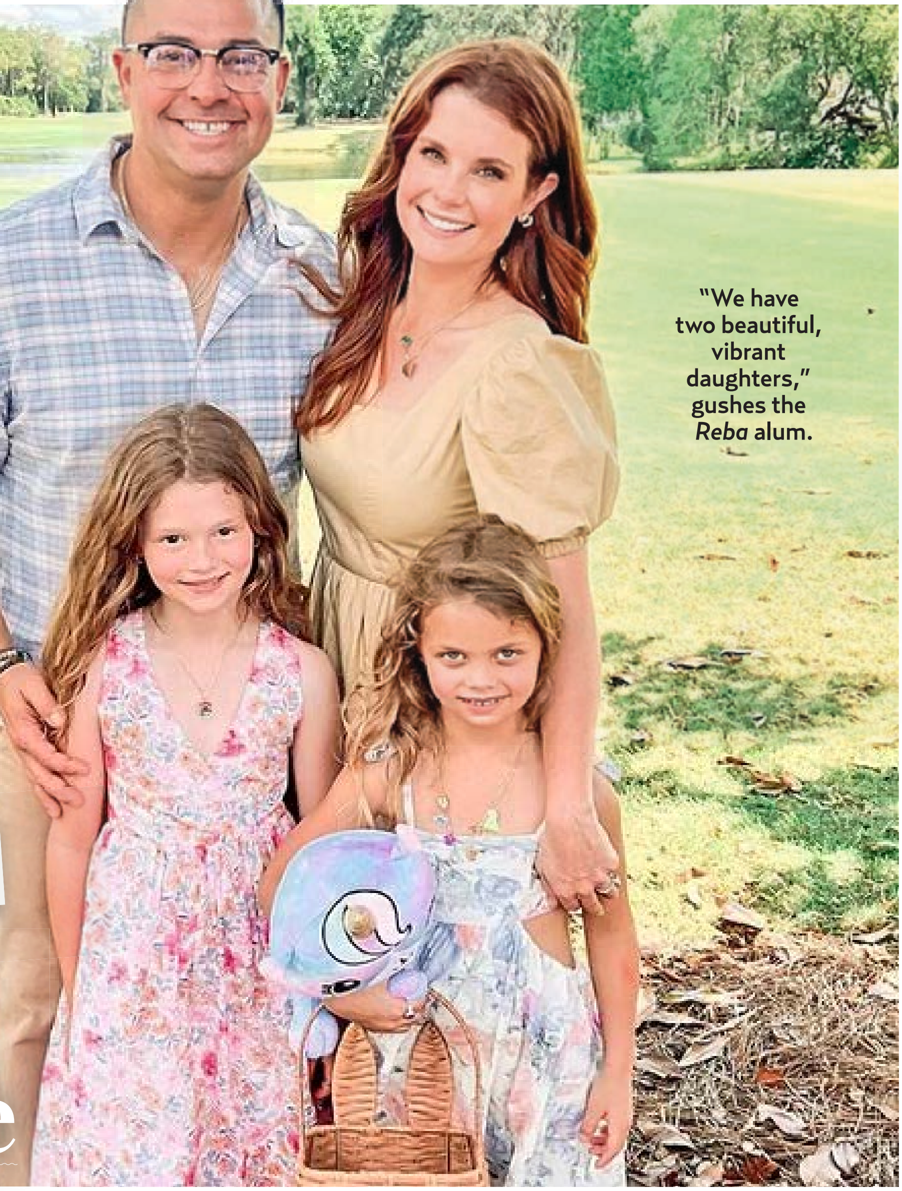
HOLLYWOOD MOMS

"My girls love to be in the kitchen," Garcia Swisher tells *Us* of her family traditions.



"We have two beautiful, vibrant daughters," gushes the *Reba* alum.

The Sweet Life

JoAnna Garcia Swisher's girls, Emerson, 9, and Sailor, 6, aren't exactly racing to watch her romantic scenes on *Sweet Magnolias*. "I don't think they're super excited about it, but they get it," the actress, 43 — who shares the pair with hubby **Nick Swisher**, 42 — told *Us* while promoting her Mrs. T's Pierogies partnership. But most importantly, "It doesn't traumatize them, I don't think." Here, she dishes more about her daughters.

Q: What are your kids up to lately?
I think my little one might have the acting bug. We're sussing it out. She asked to join the local little performing arts school, and she's taking some classes. My older one is an equestrian. She loves it. She recently said she might want to start soccer, too.

Q: What's the biggest parenting challenge you're facing now?
[Emerson] is finding her voice and being able to advocate for herself. [Sailor] doesn't have a problem doing that as much, but my older one really doesn't wanna hurt anyone's feelings. So we're talking about just being true to yourself, being honest and sticking up for yourself.

Q: Would you have more children in the future?
I don't know about that. I feel like we are golden, but if a baby needed a home or came into my life, I would be all over it.

By **Leanne Aciz Stanton** / With reporting by Christina Garibaldi

ROLLER-COASTER RIDE

Nikki Bella is savoring every second with 2-year-old son Matteo, even if some involve temper tantrums. (Dad is husband **Artem Chigvintsev**, 40.) "Overall, Matteo is a sweetheart and lover boy, but you get those moments where you're giggling [and] laughing, and all of a sudden you're getting slapped and your hair's getting pulled and they're mad," the *Nikki Bella Says I Do* star, 39, tells *Us* of the terrible twos. "When he gets mad, it's wild." Besides the occasional outburst, the tot likes to run circles around his parents ("He's like a little parkour type of kid," Bella explains) and is really starting to chat it up: "That personality coming to life, it just melts you." As her son continues to grow, the *Barmageddon* host is doing her best to make precious memories while she can. "I could freeze this stage forever," Bella adds. "They're still cuddly and cute and have those moments where they let you treat them like a baby. He'll still let me rock him, and he won't want to get out."

Matteo was set to be the ring bearer at his parents' Paris wedding but got sick, so "he didn't make it down the aisle," admits Bella.

Defining Moments

Joining the cast of *The Real Housewives of New Jersey* seven weeks postpartum was "mentally trying," **Rachel Fuda**, 31 — who shares daughters Gianella, 2, and Giuliana, 12 months, and stepson Jaiden, 16, with husband **John Fuda** — tells *Us*. "You don't feel like yourself. Your body isn't really yours yet." Still, she held her own amongst the Garden State ladies: "I feel like I handled it really well."

Mama's Motivation

Heather Gay's three daughters, Ashley, 19, Georgia, 17, and Annabelle, 15, inspired her to open up about her failed marriage to their father, **Billy Gay**, in her memoir, *Bad Mormon*. "I wanted them to have their mom's perspective," the reality star, 40, tells *Us*, "[and] show them it was hard, but you guys were worth it." And she has no regrets about revisiting the past: "It was very cathartic."

Love Lives

Pratt and Schwarzenegger share girls Lyla, 2, and Eloise, 9 months. He's also dad to son Jack, 10, with ex **Anna Faris**.

CHRIS & KATHERINE

Parents' Night Out

With two little ones at home, alone time is tricky for **Chris Pratt** and **Katherine Schwarzenegger**. "They prefer a night in after the kids go to sleep rather than a night out these days," an insider tells *Us* of the actor, 43, and the author, 33, who made a rare red carpet appearance together at the opening of Super Nintendo World at Universal Studios Hollywood on Feb. 15 (pictured). "Katherine and Chris are very involved in the kids' day-to-day lives," explains the insider. "But they try to have a date night once a month."

DOMINIC & TISH

The Real Deal

Things are getting serious between **Tish Cyrus** and **Dominic Purcell**. "Tish feels like she found her soulmate," a source tells *Us* of the manager, 55, who went Insta official with the actor, 53, in November following months of rumors. "Tish wanted to keep their romance under wraps until she was sure he was The One," explains the source. "That didn't take long, and they've been inseparable since. She absolutely sees a future with him."

JENN & USHER

His Boo

Usher has always known that longtime girlfriend **Jenn Goicoechea** is the one for him. "I felt that way…. before we became romantically involved," the singer, 44 — who recently added dates to his *My Way* residency in Las Vegas — tells *Us* of the music exec, 39. "Obviously our children give us something to celebrate, [but] the life that we've experienced, the hard times that we've had and the fact that we've been there for each other — that's what makes it a forever relationship."

Love At First Like

Lukas Gage and **Chris Appleton** have Instagram to thank for their hot new romance. "Chris reached out because he thought Luke was cute," an insider tells *Us*, adding that the celeb hairstylist, 39, and the *You* star, 27, are excited to see where things go. "They're having the time of their life right now."

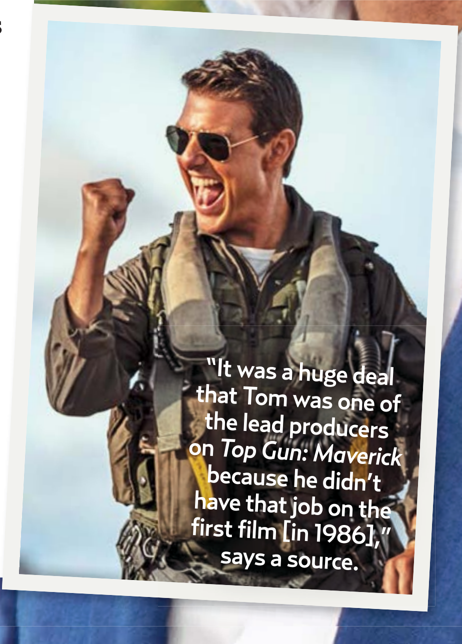
TOM CRUISE

A Fresh Outlook

After more than four decades in showbiz, the A-lister has a new lease on life

Tom Cruise has been looking at his career in a brand-new light since turning 60 this past summer. “Filmmaking for Tom these days is all about creating the whole package and making money as opposed to having that one scene where he cries or yells and generates the perfect ‘Oscar clip,’” a source tells *Us*, insisting that Cruise wasn’t upset about the Best Actor Oscar snub for his role in *Top Gun: Maverick*. “Tom had the opportunity and the resources to press a lot harder for the nod than he actually did. Instead, he chose to play it cool, count his blessings and focus on the movie as a whole getting the recognition it deserved.” (The film’s up for six trophies, including Best Picture; Cruise is nominated as a producer.) His new easygoing attitude has trickled into other aspects of his life as well. “He’s also given up picking fights in Hollywood and mellowed considerably,” notes the source. “In the process, Tom’s grown into a killer businessman and producer, and that’s what he’s intent on celebrating this awards season.”

“Tom just isn’t as hung up on individual recognition as he was years ago,” a source says of Cruise, whose last Oscar nod was for his supporting role in 1999’s *Magnolia*.



“It was a huge deal that Tom was one of the lead producers on *Top Gun: Maverick* because he didn’t have that job on the first film [in 1986],” says a source.

OLIVIA WILDE

Looking for Love

Now that her ex **Harry Styles** is rumored to be seeing someone new, **Olivia Wilde** is determined to move on as well. "Olivia has been asking about guys, making it clear she's available," says an insider, adding that the actress turned director — who, as *Us* previously reported, was dumped by Styles, 29, in November amid the constant drama and attention surrounding their nearly two-year romance — won't settle for anything less than perfect. "She's looking for a true alpha male who can pump up her own reputation while completely overshadowing the troubles she experienced during her last relationship." But some fear that finding a man who checks all her boxes may be easier said than done. Olivia, 38, "has an intimidating and dominant personality by nature," adds the insider. "She's got to soften up, at least a little, to make this happen."

"She has haters because of her relationship with Harry and the bad press surrounding *Don't Worry Darling*," says an insider.

Friend or Foe?

» Just a few months ago, it seemed like **Hailey Bieber**, 26, and **Selena Gomez**, 30, had put the bad blood behind them. But after seemingly beefing on TikTok — on Feb. 24, Gomez quipped that she was "too old for this" and briefly disabled her account — fans wondered if the two were at odds again. "Sometimes it's hard for them not to react to certain flashpoints that hit a raw nerve, but they both insist the drama is all of other people's making and there's nothing major going on," a source tells *Us*. "It bugs them that folks feel this need to overanalyze what each of them says and then pit them against each other," adds the source. "The bottom line is they'll never be best friends, but there's a shared desire for peace."

YELLOWSTONE DRAMA

Saddle Up!

"Kevin's known throughout Hollywood as a consummate professional," says an insider.

Riding off into the sunset? **Taylor Sheridan**'s hit *Yellowstone* may be coming to an end following its season 5, part 2 finale amid tension with the show's lead, **Kevin Costner**, over the shooting schedule. According to reports, the alleged decision was made after Costner, 68, demanded that all six remaining episodes of the season be filmed in a single week. (His attorney later denied the claim.) While the fate of the beloved series is currently up in the air, an insider tells *Us* that it might wrap up without the Golden Globe winner. "Kevin is taking his time before committing to [the end of] season 5. He's on the fence about it," says the insider, hinting that it's causing panic amongst certain people connected to the franchise. "He's obviously pivotal to the show's success and also to how they plan the future." As for the chatter that the drama surrounding Costner has caused tension with his castmates, the insider insists that's not the case. "Kevin is a shy, understated guy who goes about his business in a calm and focused way," explains the insider. "He's not picking fights or throwing his weight around, far from it."

Kim's Relief

» Marriage looks good on **Kanye West**. Since tying the knot with **Bianca Censori** in January, the rapper "is back to acting normal again," a source tells *Us*, noting that the architectural designer, 27, has had a "calming" effect on the troubled rapper, 45. (An insider previously told *Us* that pals are unsure if West and Censori's union is legal, although it's "very real" to them.) "Kanye has stopped lashing out publicly and privately toward people," continues the source, "and he's not filled with as much hate." It's a sigh of relief for West's ex-wife, **Kim Kardashian**. Adds the source, "Kim is really happy with the change."

KARDASHIAN

"Kanye's been focusing on a new album and that's helping him stay on the straight and narrow as well," says a source.

Glanville and Manzo were reportedly drinking shots of tequila prior to the incident.

BRANDI & CAROLINE

What Went Down?

Fans were stunned when reports surfaced that **Brandi Glanville** and **Caroline Manzo** had both exited season 4 of *The Real Housewives Ultimate Girls Trip* following an incident in which Glanville, 50, allegedly gave unwanted kisses to Manzo, 61, and touched her inappropriately in a restroom. Now *Us* has learned more about what led to the shocking moment — and the aftermath. “Brandi and Caroline were both drinking and started making out. They retreated to a bathroom where the makeout session continued,” says a source, insisting there weren’t any issues until the next morning. “After they sobered up, Caroline was told what happened and was very upset and confused.” A “comprehensive review” of the matter was launched, Peacock said in a statement, and both women left the series. “Brandi and Caroline didn’t remember everything from the night,” adds the source, suggesting that “the liquor” contributed to the incident.

Fighting SPIRIT

Demi Moore has been to hell and back — but she's feeling stronger and more at peace than ever at 60

BY JAIME HARKIN

In mid-February, Demi Moore took to Instagram to update fans on her ex-husband Bruce Willis, who was previously diagnosed with aphasia. "Bruce's condition has progressed and we now have a more specific diagnosis: frontotemporal dementia," wrote the actress alongside a photo of the *Die Hard* star smiling on a beach. "We now have a deeper understanding of what he is experiencing."

It hasn't been easy for Moore to watch Willis' health decline. She and the 67-year-old actor have been on great terms since their 2000 divorce after 13 years of marriage (they share daughters Rumer, 34, Scout, 31, and Tallulah, 29). But in typical Moore fashion, she's rising to the occasion and focusing on the positive. "Demi is very proud of the life she's created for herself," says a source of the A-lister, who's had her fair share of public struggles, including addiction issues and three failed marriages. "She's very grateful to have such a warm and loving group of friends and family members surrounding her and supporting her."

ROUGH ROAD

She didn't always feel so grounded. In her bestselling 2019 memoir, *Inside Out*, Moore opened up about her painful childhood, which was marred by her abusive and suicidal mother and a traumatizing sexual assault at age 15. In 1984 — just as her film career began to take off — she battled with substance abuse. By 1990, she was Hollywood's highest-paid actress — but "for Demi, writing *Inside Out* was basically the equivalent of lifting a huge weight off her shoulders," says the source. "She's been a different person since the book was released."

A good chunk of the tell-all focused on her romance with Ashton Kutcher — she and the *That '70s Show* star were married for six years and split in 2011 amid cheating reports. She confirmed he had

Moore has a close bond with ex Willis and his wife, Emma (second from right).

RUMER'S BABY COUNTDOWN

"Entering my hot kooky unhinged grandma era," wrote Moore in a celebratory Instagram post featuring photos of her eldest daughter, Rumer, showing off her growing baby bump. According to an insider, the *G.I. Jane* star is counting down the days until Rumer gives birth to her first child with boyfriend Derek Richard Thomas. "Demi can't wait to be a grandmother and is helping Rumer get ready in all kinds of ways," says the insider, "from figuring out the nursery to brainstorming baby names and buying her pregnancy books." As for Rumer, a second insider says she's "experiencing a lot of morning sickness" but "is enjoying the journey. She's in no rush to get engaged, but Derek is supportive and wonderful."

Aging like fine wine! "I feel better in my skin," Moore's said.

been unfaithful and had suggested they engage in threesomes. In February, Kutcher (who married former costar Mila Kunis in 2015) said he was "f**king pissed" when *Inside Out* hit shelves. "Demi figured Ashton wouldn't be happy with the level of detail she went into in her book. But it was her story, and she wasn't going to let that hold her back," explains the source, adding that although the exes "don't speak much, there isn't any major animosity between them."

BLENDED FAMILY

Moore has said her marriage to Kutcher affected her sobriety (she relapsed and suffered a seizure at a party with Rumer in 2012), and her bond with Tallulah was also tested. In 2020, her youngest daughter revealed she and the *Charlie's Angels* actress didn't speak for nearly three years.

"Watching the behavior with Ashton those years… I felt very forgotten," confessed Tallulah. Notes the source: "Demi and her kids have butted heads over many things through the years."

Heart Monitor

FREDDY MOORE

The former soap opera star wed rocker Moore in 1980. "I was a self-absorbed teenager," she recalled of their ill-fated union.

EMILIO ESTEVEZ

She and Estevez got engaged after dating for six months in 1985 — but split when she discovered he'd cheated shortly before their wedding.

But they're closer than ever now. "Demi treats the girls with compassion and respect and vice versa; they're in awe of their mom and proud of the person Demi's become today," shares the source. They are rallying around Willis together, along with his wife of nearly 14 years, Emma, with whom the *Pulp Fiction* star shares daughters Mabel, 10, and Evelyn, 8. "This is a family who's as close as you could imagine. Demi's in touch with Emma all the time. They take turns running errands and keeping him company, as do the girls," says the source. "Everyone is extremely protective of him, and Demi is a key part of that. Emma is very grateful."

LONG TIME COMING

Since turning 60 in November, Moore — who celebrated with a trip away with her closest pals — has found peace. After reportedly going under the knife for multiple cosmetic procedures in the early 2000s, the *Ghost* star embraced the aging process in recent years, the source says. "She's not doing fillers, but keeps up with natural treatments and skincare," the source dishes, adding that Moore's diet "is super clean — she's a proud vegan and treats her body like a temple."

She's open to love since her November split from acclaimed chef Daniel Humm, but it isn't her top priority. "Demi spends the bulk of her time between Los Angeles and Idaho but often flies to New York City to get her adrenaline kick and catch up with friends," spills the source. "She feels like she has the best of so many worlds."

She can afford to be picky and choosy regarding work. "Demi's been there, done that when it comes to the Hollywood scene. She gets more satisfaction from smaller projects as opposed to grueling movie shoots. She doesn't need the money or the hassle, so it would have to be something really special to pull her back to that," the source adds. "These days, the most important thing to her is feeling serene and living her best life." US

Moore loves retreating to her ranch in Idaho, often sharing idyllic photos with family from the rural property.

Moore has taken some big risks in the romance department

ASHTON KUTCHER

Moore admitted she "lost herself" during her marriage to Kutcher, which ended in part because of his infidelity.

HARRY MORTON

She had a brief fling with the restaurant owner (who died in 2019) shortly after her painful breakup from Kutcher.

DANIEL HUMM

The actress and the Swiss chef dated for nearly a year after being introduced by mutual friends. "They're still on decent terms," says a source.

GETTING MESSY

Amid accusations of cheating and lying, insiders spill the truth about **Kelsea Ballerini** and **Morgan Evans'** ugly split

BY JAIME HARKIN

The gloves are off. Despite initially appearing on decent terms following their August breakup, country singers Kelsea Ballerini and Morgan Evans are now going tit for tat via pointed song lyrics, Instagram posts and dishy tell-alls. During a Feb. 22 sit-down on the *Call Her Daddy* podcast, Ballerini accused her Aussie ex of striking first with his November single, "Over for You." "His healing journey is his healing journey," noted the songstress. "I respect that, but publicly exploiting that feels a little nasty to me."

According to sources, Ballerini, 29, and Evans, 37 — who wed in December 2017 — are equally determined to control the narrative about why their seemingly perfect five-year

"Morgan was no saint either," dishes a source.

"Kelsea kept all her feelings bottled up for a long time," spills a source.

marriage hit the skids. “The situation is a mess,” says a source. “Both Kelsea and Morgan want their version of events to be taken seriously, and they keep reacting to the other’s comments and accusations.” On Valentine’s Day, Ballerini released a six-track album full of breakup songs. “Morgan is fed up with Kelsea for airing their dirty laundry, and she’s annoyed that he keeps trying to look like the victim,” continues the source. “The truth is they broke up for a variety of reasons, and all the ‘he said, she said’ stuff is ruining what could be a peaceful transition.”

WHAT WENT WRONG

Ballerini and Evans fell hard and fast for each other after hosting Australia’s 2016 Country Music Channel Awards together. Within nine months, they were engaged. But in her recent podcast appearance, Ballerini revealed they had intimacy issues “from the very beginning” and had “such a sense of disconnection” throughout their marriage. She also described sleeping on the couch after a massive fight the night before the CMAs, likely in 2019. (Prior to the episode airing, Morgan released a statement on social media saying, “It’s really sad for me to see this person … saying things that aren’t reality and that leave out what really happened.”)

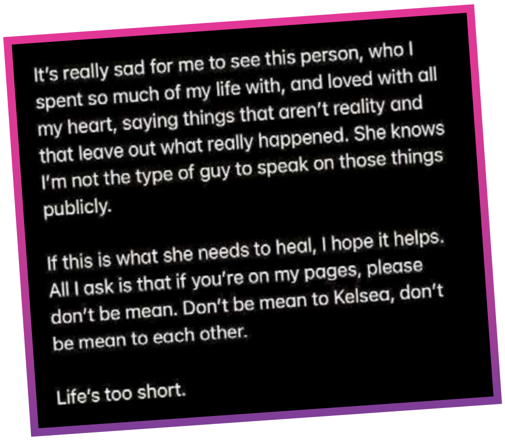
“Kelsea was very young and naive when she met Morgan,” shares a second source. “They clicked right away, but their relationship was always an emotional roller coaster. There would be times of intense romance and then times of tension and toxicity.”

According to the second source, the singers had issues “relating to and being kind to each other,” but ultimately, Ballerini’s desire to wait to have kids was the straw that broke the camel’s back. “Morgan had been ready for a long time,” notes the source. “But Kelsea wasn’t there yet.”

Reports recently surfaced claiming the country queen cheated on Evans with The Chainsmokers’ Drew Taggart after collaborating on their hit 2018 track, “This Feeling.” The first source says there’s talk that someone from Evans’ camp leaked the rumors. “There’s no smoke without fire, and Kelsea and Drew did have a very close relationship. It bothered Morgan a lot at the time,” spills the source. “But Kelsea thinks it’s a low blow to drag it up now.” Adds the second source: “There was a flirtation between Kelsea and Drew, but I don’t think they hooked up.”

OLD NEWS

While Evans is “still very upset” over the divorce, says the first source, Ballerini is eager to move on (see box for more on her romance with *Outer Banks* star Chase Stokes). “She’s over all the negativity,” states the source, adding that Ballerini’s marriage to Evans had been “stale” for years. “There’s no right or wrong person here, so for Morgan to keep assigning blame just makes Kelsea very frustrated.”



It’s really sad for me to see this person, who I spent so much of my life with, and loved with all my heart, saying things that aren’t reality and that leave out what really happened. She knows I’m not the type of guy to speak on those things publicly.

If this is what she needs to heal, I hope it helps. All I ask is that if you’re on my pages, please don’t be mean. Don’t be mean to Kelsea, don’t be mean to each other.

Life’s too short.

Evans posted an emotional message on Instagram just before Ballerini aired their dirty laundry on a podcast.

REBOUND OR REAL THING?

» Insta official! On Feb. 23, Chase Stokes shared a photo of himself and Ballerini in an embrace in an Instagram Story with the abbreviation for “I miss you” in the caption alongside a red heart emoji. The post came the day after the singer opened up about their budding romance (they were first linked in January) on *Call Her Daddy*, revealing she had “swan dove” into the 30-year-old actor’s DMs. “They like each other and have a very flirty relationship,” says a source of the pair. “He’s fun and carefree, and she needs that.” Ballerini, who recently kicked off her Heartfirst Tour, has said she’s not sure she believes in marriage anymore. “Right now, she and Chase have a no-strings situation,” dishes the source. “They’re rarely in the same place and are still getting to know each other. But there’s a possibility they could date exclusively in the future.” A second source adds that Ballerini is happy to let loose: “She’s looking to have fun, enjoy the dating scene and get the heck away from intensity and negativity.”

I Do's, Take Two!

For better or worse, these celebrity couples gave marriage another try after divorcing

BY JAIME HARKIN

MELANIE GRIFFITH & DON JOHNSON

Johnson and Griffith were just 22 and 18, respectively, when they first wed in 1976 (they parted ways six months later). Their second attempt at marriage in 1989 lasted much longer — seven years — but ultimately ended in divorce as well. "I love Melanie," said the *Miami Vice* alum in 2021. "When you have a child with someone — whether you're married or not — you're with that someone forever. And I'm OK with that."

JEAN-CLAUDE VAN DAMME & GLADYS PORTUGUES

So nice they did it twice! Van Damme and the former pro bodybuilder walked down the aisle in 1987 and again in 1999. Despite nearly splitting in 2015, they're still together. "The couple has to work [on] their stuff together no matter what they have to do," said the Belgium-born action star. "Divorcing before is not funny for the children, the people [or the] parents."

ROBYN & JUAN DIXON

It's been a rocky road for the *Real Housewives of Potomac* stars, who divorced in 2012 and said "I do" again in August 2022. Robyn addressed rumors of Juan's recent infidelity following the season 7 finale of *RHOP*, admitting Juan had exchanged DMs with a woman during the Covid pandemic but insisted they'd "handled" it. "Having gone through the great times [and] the bad times is what creates longevity and unconditional love," said Robyn of her decision to remarry her high school sweetheart. "I wouldn't have it any other way."

2010 & 2013

TALULAH RILEY & ELON MUSK

When Musk and Riley reunited after their initial 2012 split, having another wedding seemed like a logical next step. "It felt silly to be together unmarried," explained the *Westworld* star. "We were saying, 'This is my husband.' 'This is my wife.' 'Oh, wait, no, we're not that anymore. We better be that again.'" They parted ways for good in 2016 but remain on good terms, with Riley noting she has "the utmost love for [Elon]."

PAMELA ANDERSON & RICK SALOMON

The writing may have been on the wall for Anderson, but that didn't stop her from marrying the professional poker player twice in seven years. The pair — whose 2007 union lasted a year — exchanged nuptials for a second time in 2014, then called it quits in 2015. "I forget about a lot," the *Pamela, a Love Story* star admitted of why she gave the union another go.

2007 & 2014

1977 & 1991

JUDGE JUDY & JERRY SHEINDLIN

The verdict is in: Fellow judges Judy and Jerry are soulmates. Despite a brief split in the early 1990s, the famous courtroom TV stars remarried less than a year later. "I missed Jerry," confessed Judy. "I like to have someone to fuss over. I like to be mated. It's natural for me. I learned the hard way that sometimes what you think makes you happy won't."

1982 & 2011

STEVE CRAIG & MARIE OSMOND

More than two decades after their split, the entertainment icon and former NBA player found their way back to each other and wed for the second time in 2011 (fun fact: Osmond wore the same dress!). "The thing about a second marriage is that you realize things you thought were so important aren't," said the star, who credits their son with helping them reunite. "We feel very blessed to have had a second chance. It truly is a miracle."

Whitney's Mademoiselle Moment

Gossip Girl star **Whitney Peak** takes *Us* behind the scenes of her new Chanel fragrance ad

I love to be unpredictable," **Whitney Peak** says of her style, but she just as easily could be referring to her latest project, as the decidedly fresh face of Chanel's Coco Mademoiselle scent (and first Black spokesmodel for a fragrance by the famed French fashion house). This week, the 20-year-old Ugandan-Canadian actress stars in a short film celebrating the updated vibe of the ebullient scent. "There's a great message of hope and faith and happiness in the future," Chanel's head of global artistic direction, **Thomas du Pré de Saint Maur**, tells *Us* of the vignettes shot by *Top Gun: Maverick* director **Joseph Kosinski**, which follow Peak as she sparkles through Paris. From Red Carpet to Runway

Fashion Week's fearless makeup trend — unexpected lipcolor — takes cues from Hollywood!

"The key ingredient for this look is confidence," says **Lizzo**'s makeup artist, Alexx Mayo, who created the singer's 2022 VMAs ocean blue pout using two Charlotte Tilbury eyeliners. The tides turned back to blue and gray lips recently at New York Fashion Week, most notably on the "gothic fairies" at the Rodarte show. To re-create them, choose a matte formula and do as Mayo does and prep with a "super-hydrating lip mask" before pressing in color. But most importantly, don't overthink it. "At the end of the day, makeup should be fun," the beauty guru tells *Us*.

For The Record

Still a smash hit! **DJ Pauly D** talks to *Us* about season 6 of *Jersey Shore: Family Vacation*

"I'm blown away by the people that are still watching," Pauly D tells *Us*. "I love sharing my life with the world."

Season 6 of *Jersey Shore: Family Vacation* (Thursdays on MTV) is already shaping up to be a wild ride. "This family has so much going on," **Paul "DJ Pauly D" DelVecchio** tells *Us*. "We can never just chill." Here, the TV personality gets candid about the hit reality series' latest chapter.

Q: Tell *Us* about this season.
It was jam-packed. We took so many trips. This *Jersey Shore: Family Vacation* style keeps everybody on their toes. We were in New Jersey, New York, New Orleans, Los Angeles. There's [big] announcements, pretty much, during each trip.

Q: What was the most shocking moment from this season?
Angelina [**Pivarnick**] hits us with a bomb that no one was expecting. We threw her a divorce party in New Orleans, and she announced [something] shocking. I think you have to wait to see that one.

Q: You've been a fan favorite since 2009. Which moment are you most proud of, and which one do you wish you could take back?
I'm most proud of my first time DJing on television, which was at Karma [on *Jersey Shore*]. I had to make that happen for myself. The one I regret is, I didn't tan when we went to Italy, and we filmed in Jersey right away. I was so pale and went tanning two times in a row. Bad idea. I burned my whole face off and there was nothing I could do. It was horrible.

Food For Thought

Padma Lakshmi dishes on *Top Chef: World All-Stars*

Top Chef's 20th season (premiering Thurs., March 9, on Bravo) features 16 international culinary stars sharpening their knives in London in the hopes of securing the ultimate title. Here, longtime host **Padma Lakshmi** tells *Us* what to expect.

Q: What can you share?

I wouldn't call it a normal *Top Chef* season. What's wonderful is that we have chefs from other franchises competing, and they're the ones who've won or been a finalist. It takes them a few episodes to get their bearings — and that kitchen is massive.

Q: How would you describe the London food scene?

London is very diverse in that it's the center of the world. You can find restaurants from everywhere, high-end and little hole-in-the-wall, and grocery stores with lots of African and Middle Eastern cuisine. Every country in Asia is represented.

Q: Do you see *Top Chef* ending in the near future?

I think everything has a beginning, middle and end. It's hard to say. I think we can only judge when those points are in retrospect.

"We're very lucky," Lakshmi says. "We have a very loyal fan base."

Creed III

★★★☆

"Everybody loves an underdog story," insists **Michael B. Jordan**'s Adonis Creed. They sure do. In fact, this credo epitomizes the essence of the entire franchise (as well as the preceding *Rocky* saga). For this hard-charging installment, audiences will be in the intriguing position of rooting for Creed and his latest foe. The action revs up five years after the champ's farewell fight, as he lives it up in a mansion with his wife (**Tessa Thompson**) and daughter. Then his former best friend (**Jonathan Majors**) returns from a prison stint determined to get into the ring. The money match is inevitable, and doesn't disappoint. In his directorial debut, Jordan ensures each punch lands with artful meaning in an electrifying atmosphere. The presence of **Sylvester Stallone**'s Rocky Balboa is missed — but his gritty legacy perseveres. **MARA REINSTEIN**

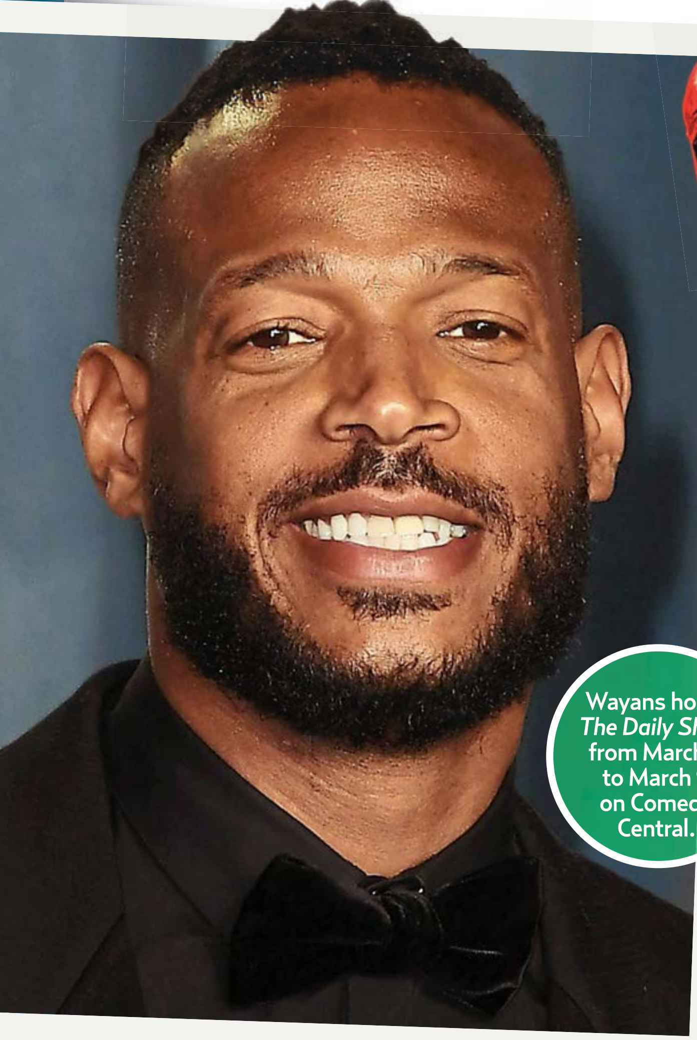
25
THINGS YOU DON'T KNOW ABOUT ME

BY Marlon Wayans

The actor and comedian shares some quick-witted personal facts with *Us*!



Wayans hosts *The Daily Show* from March 6 to March 9 on Comedy Central.

1. One place I'd like to visit is Africa. Apparently I'm from there.

2. I've been preparing my whole life to host *The Daily Show* [by] coming from sketch, knowing how to work in front of an audience with sitcoms and doing stand-up comedy.

3. The most common thing fans ask me is, "When are you doing another *White Chicks*?" My answer: Seven hours of makeup? Hell no, I'm sticking to Black dudes.

4. I know a lot of chords on the guitar. I just can't put [them] together to play a song.

5. I'm obsessed with *Game of Thrones* lately. Tell me Joffrey doesn't deserve a spanking.

6. The most famous people in my phone book are Dave Chappelle and Kevin Hart. [But] Kevin switches his number once a month, so I probably don't have his new one.

7. My first car was a 1994 Honda Accord EX that I bought off my brother **Shawn** for about $2,000 more than what he paid for it.

8. My celebrity crush growing up was **Janet Jackson**. I liked her as Penny on *Good Times*, as Charlene on *Diff'rent Strokes* — and then I found out she was Janet Jackson in real life.

9. I saw Janet backstage at a **Kool Moe Dee** concert when I was 12. I tried to say hi, but nothing came out.

10. My favorite items in my wardrobe are my Golden Goose flip-flops and my Fear of God camel trench coat.

11. On a typical Saturday night, you'd find me on a stage. Spin the dial and pick a random city.

12. My alternate profession would be a lawyer.

13. My favorite meal to cook is probably cedar plank salmon with a garlic butter glaze.

14. My favorite book is *8 Habits of Highly Successful People*.

15. My advice for new comedians is don't quit, even if you suck. You'll suck less in time.

16. Anything Motown reminds me of my parents when they were happy and dancing together, and how good it made us feel to see them love each other.

17. Right now, my favorite movie is *Top Gun: Maverick*.

18. I have two go-to karaoke songs: "Creep" by **Radiohead** and "Turn Off the Lights" by **Teddy Pendergrass**.

19. To decompress, I sit in my steam shower for about 10 minutes and then guzzle down half a bottle of cabernet.

20. The comedians I looked up to the most were **Richard Pryor**, **Eddie Murphy** and my big brother **Damon**.

21. Out of all of my projects, *White Chicks* meant the most because it was impossible to do, and somehow my brothers and I made it happen.

22. One time on stage, my pants ripped and I wasn't wearing underwear. Gave VIP a whole different meaning.

23. My favorite snacks are popcorn, SeaSnax seaweed and hot sunflower seeds.

24. My bedroom and theater are my favorite rooms.

25. One thing everyone should know about the Wayans brothers is that we live for each other and we die for each other. We truly love each other.
